**SUMMARY OF THE REASONS FOR DECISION:**

The DVD *Super Fuckers 6* is classified as:  
Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years.

*Super Fuckers 6* contains a title previously examined and classified as a video recording by the Office of Film and Literature Classification. The video recording was classified as "Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years", with the descriptive note "Contains explicit sex scenes". This decision was dated 19 February 2001.

The DVD version of *Super Fuckers 6* contains additional material comprising six trailers for sexually explicit features, still images from the feature, background information about *Super Fuckers 6*, and biographical details about the women participants. There is nothing in the DVD version that requires an alteration to be made to the classification given to the video recording version of the publication. Therefore the previous classification of *Super Fuckers 6* as "Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years" is appropriate, with the same descriptive note.
